- c. Staffing.
- i. Provide training for employees regarding these requirements and each restaurant’s respective COVID-19 mitigation plan.
 - ii. Conduct pre-shift screening, maintain staff screening log.
 - iii. No employee displaying symptoms of COVID-19 should provide services to customers. Symptomatic or ill employees should not report to work.
 - iv. No person should work within 72 hours of exhibiting a fever or other COVID-19 symptoms, and follow the CDC’s “What To Do If You Are Sick” guidance, available at <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/steps-when-sick.html>.
 - v. Employer must establish a plan for employees getting ill and a return-to-work plan following CDC guidance, which can be found online at: <https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>.
- d. Cleaning and Disinfecting.

- i. Cleaning and disinfecting must be conducted in compliance with CDC guidance.
 - ii. When an active employee is identified as being COVID-19 positive by testing, cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical consistent with CDC guidance.
 - iii. CDC guidance can be found online at:
<https://www.cdc.gov/coronavirus/2019-ncov/community/disinfecting-building-facility.html>
- e. Encouraged practices. Restaurants are encouraged to do the following:
 - i. Have customers enter and exit through different entries using one-way traffic, where possible.
 - ii. Start or continue entryway, curbside, and home delivery.
 - iii. Encourage making reservations, preordering for dine-in service, and ordering for contactless pickup and delivery either by telephone or other remote means.
 - iv. Implement cashless and receiptless transactions.
- f. Pilot sidewalk/outdoor dining privilege. From the effective date of this section, through the termination of Mayor's COVID-19-related Emergency Proclamation (as supplemented or extended), restaurants abutting City property may use City Property for dining and take-out operations under the following conditions:
 - i. The restaurant must be on the ground floor and abut paved City property
 - ii. Upon 24-hour's notice, the restaurant must vacate City property for regular maintenance by City (e.g. steam cleaning).
 - iii. The restaurant are responsible for own equipment, furniture, and supplies, which must be stored elsewhere during closed hours.
 - iv. The utilized City property may only be used by the restaurant during its business normal hours, but shall not be used between the hours of 11:00 p.m. and 7:00 a.m.
 - v. The restaurant is responsible for compliance with any additional requirements relating to its Hawaii Department of Health Food Establishment Permit.
 - vi. Liquor sales, if any, on the utilized City property must be authorized under the restaurant's liquor license and applicable law.
 - vii. No additional signage is permitted within the utilized City property.
 - viii. Dining services must be consistent with the requirements of this section, including Social Distancing Requirements and physical spacing of tables and customers.
 - ix. Furniture must be located at least six (6) feet from any vehicular ramp, driveway or street intersection.
 - x. No live or amplified music is allowed on the utilized City property.
 - xi. Furniture shall not be placed over planter strips and tree wells

14. **Bowling alleys.** Bowling alleys may operate but must comply with conditions on page 1 of Exhibit A which apply to all Designated Businesses and Operations. Food and beverages may be served and consumed in the bowling area. If food and drinks are served and/or allowed, COVID-19 mitigation measures (consistent with applicable sections of the Restaurant section of this Order) must be implemented and every person must wear a face covering at all times consistent with Order 5, except when actively eating or drinking in designated areas (e.g., a patron's/group's assigned lane/seating area). Bowling alleys with: retail areas must comply with retail and service businesses requirements; restaurants / cafes / concession stands must comply with restaurant requirements; and office spaces must comply with business office requirements.
15. **Tours and skydiving.** Tours and skydiving operators may operate but must comply with conditions on page 1 of Exhibit A which apply to all Designated Businesses and Operations, including collecting Sign-in Data. Operators must implement protocols to

ensure that clients maintain proper physical distancing from each other, consistent with the Order.

16. **Personal recreational boating.** No more than ten (10) persons are allowed in any personal boat on Hawai‘i’s waters for recreational purposes. All boats shall maintain a distance of 20 feet from other boats when in use.
17. **Commercial recreational boating.** Commercial recreational boating operations must limit occupancy to no more than fifty percent (50%) of the maximum occupant load of the vessel, except that for uninspected commercial vessels the maximum capacity shall be 50% of the manufacturers carrying capacity, not to exceed ten (10) passengers (excluding vessel crew members); implement protocols to ensure that guests/groups maintain proper physical distancing from each other; service and consumption of food or drinks within the vessel cabin (if any) is consistent with the “Restaurant” section of the Order; and collect Sign-in Data.
18. **Hair salons, barber shops, and nail salons.** Hair salons, barber shops, and nail salons (“Providers”) may provide their core services of hair cutting, coloring, and styling in the case of hair salons and barbers; and fingernail/toenail services in the case of nail salons; indoors under the following conditions:
 - a. General.
 - i. Comply with all applicable State of Hawai‘i and City statutory and regulatory, COVID-19 emergency order/proclamation related requirements and standards for the service provided by the Provider. (E.g., barbers must comply with Haw. Rev. Stat. ch. 438 and Haw. Admin. R. § 16-73-1 et seq.; beauty operators must comply with Haw. Rev. Stat. ch. 439 and Haw. Admin. R. § 16-78-1 et seq.; Providers are encouraged to visit <https://cca.hawaii.gov/pvl/hrs/> to determine if they are regulated under Hawaii law.
 - b. Specific Requirements.
 - i. Arrange seating in the establishment so that customers are separated from other customers by six (6) feet between booths/stations and/or have physical barriers between them.
 - ii. Ensure applicable Social Distancing Requirements are met to extent reasonably practicable, except that all persons shall comply with the face coverings requirements set forth in Order 5 of this Order at all times.
 - iii. Services which require face coverings to be removed may not be performed.
 - iv. Implement additional mitigation measures when strict physical distancing of at least six (6) feet is not feasible for a specific task. Such measures include, but are not limited to, the use of physical barriers (e.g., plexi-glass), additional PPE (e.g., plastic face shields/masks), and minimization of such personal services, enhanced cleaning, and increased ventilation of the area with outside air.

- v. Ensure that all equipment that comes into direct contact with customers/clients and all furniture in service areas (such as chairs, capes, and the shampooing area in a barber shop or salon) is completely cleaned and disinfected between each customer/client in accordance with CDC guidelines and applicable law.
- vi. Implement the following screening measures to screen service providers and customers/clients for signs and symptoms of COVID-19 before arriving at the service provider location. If a service provider or client/customer answers “yes” to questions 1-3, they should not provide or receive services at the Provider’s facility. Providers may provide services to those clients/customers who answer “yes” to questions 4 and 5.
 - 1) Do you now, or have you had in the past fourteen (14) days:
 - A cough or sore throat?
 - Fever or do you feel feverish?
 - Shortness of breath?
 - Loss of taste or smell?
 - 2) Are you currently subject to any COVID-19 related quarantine?
 - 3) Have you had close personal/physical contact with or cared for someone diagnosed with or tested positive for COVID-19?
 - * * * * *
 - 4) If you answered “yes” to Question 3, are you a health care worker?
 - 5) If you answered “yes” to Question 4, are you cleared to work at your healthcare facility?
- c. Prior to reopening, all Providers are encouraged to develop, post and implement written protocols consistent with this section and other applicable law, industry standards, and guidance. The plan should include policies regarding the following control measures: PPE utilization; on-location physical distancing; hygiene; sanitation; self-screening and symptom monitoring; incident reporting; and location disinfection procedures.
- d. Handwashing stations and/or disinfectants must be available to personal service providers and customers/clients throughout the workplace and frequently replenished.
- e. No waiting areas are allowed.
- f. No food or beverage service or consumption shall be allowed in the area where services are being provided.
- g. When making personal service appointments, Providers should advise customers/clients of new requirements, which may include, but are not limited to:
 - i. Customers/clients must self-screen for signs and symptoms of COVID-19 before arriving at the service provider location.

- ii. Customers/clients should not plan on bringing other guests with them, unless they are bringing children younger than 16 for an appointment.
 - iii. Customers/clients should advise Providers via call, email or text that they have arrived at the location for the appointment, and are waiting for instructions to enter.
 - iv. Customers/clients should put on a face covering prior to leaving the vehicle, and they should be prepared to wash their hands for at least 20 seconds or use sanitizer prior to starting their service.
 - v. Payments for service should be through credit or debit cards or a touchless system to reduce the handling of cash.
 - h. For walk-in appointments, the Provider should post a notice on the front door or window regarding access to the facility. The notice should include the phone number that the guest should call to determine availability of services. If service is available at the time, the walk-up guest will need to answer questions regarding COVID-19 exposure and current health, and put on a face covering before entering the location.
 - i. Providers are encouraged to follow additional best practices:
 - i. Reducing the number of customers/clients serviced at one time. E.g., using only 50% of the available work stations.
 - ii. Operators must implement measures to ensure that participants and groups waiting to use a facility or an activity open under this section maintain physical distance of six (6) feet from one another at all times.
 - iii. Cashless and receiptless transactions.
 - iv. Customers/clients entering and exiting through different entries using one-way traffic, where possible.

 - vi. A manager or shop owner should be on site during business hours at all times.
 - vii. Advising customers to limit the number of items they bring into the premises.
19. **Personal care services.** Personal care services are services other than the core services provided by hair salons/barbers (hair cutting, coloring, styling), or nail salons (fingernail/toenail services), which require touching a client's face or body. Personal care services may operate under the following conditions:
- a. Outdoors. Personal care services may be performed outdoors and as long as all they follow all of the conditions imposed on hair salons, barber shops, and nail salons, including but not limited to, following all City and State statutory and regulatory requirements. If the personal care service cannot be performed

outdoors under other applicable laws/regulations, they must be conducted indoors under applicable conditions (see below).

- b. Indoors. Personal care services may be performed indoors under the following conditions:
 - i. General.
 - 1) Comply with all applicable State of Hawai‘i and City statutory and regulatory, COVID-19 emergency order/proclamation related requirements and standards for the service provided by the Provider. (E.g., barbers must comply with Haw. Rev. Stat. ch. 438 and Haw. Admin. R. § 16-73-1 et seq.; beauty operators must comply with Haw. Rev. Stat. ch. 439 and Haw. Admin. R. § 16-78-1 et seq.; Providers are encouraged to visit <https://cca.hawaii.gov/pvl/hrs/> to determine if they are regulated under Hawaii law.
 - ii. Specific Requirements.
 - 1) Collect Sign-in Data.
 - 2) Arrange seating in the establishment so that customers are separated from other customers by six (6) feet between booths/stations and/or have physical barriers between them.
 - 3) Ensure applicable Social Distancing Requirements are met to extent reasonably practicable, except that all persons shall comply with the face coverings requirements set forth in Order 5 of this Order at all times.
 - 4) Personal care service providers must wear a face shield (a device, usually made of transparent plastic, which covers the user's eyes and face) in addition to (and over) a face covering when providing personal care services indoors.
 - 5) Services which require face coverings to be removed may not be performed.
 - 6) Implement additional mitigation measures when strict physical distancing of at least six (6) feet is not feasible for a specific task. Such measures include, but are not limited to, the use of physical barriers (e.g., plexi-glass), additional PPE, and minimization of such personal services, enhanced cleaning, and increased ventilation of the area with outside air.
 - 7) Ensure that all equipment that comes into direct contact with customers/clients and all furniture in service areas (such as chairs, capes, and the shampooing area in a barber shop or salon) is completely cleaned and disinfected between each customer/client in accordance with CDC guidelines and applicable law.
 - 8) Implement the following screening measures to screen service providers and customers/clients for signs and symptoms of COVID-19 before arriving at the service provider location. If a service provider or client/customer answers “yes” to questions 1-3, they should not provide or receive services at the Provider’s

facility. Providers may provide services to those clients/customers who answer “yes” to questions 4 and 5.

1. Do you now, or have you had in the past fourteen (14) days:
 - A cough or sore throat?
 - Fever or do you feel feverish?
 - Shortness of breath?
 - Loss of taste or smell?
2. Are you currently subject to any COVID-19 related quarantine?
3. Have you had close personal/physical contact with or cared for someone diagnosed with or tested positive for COVID-19?
* * * * *
4. If you answered “yes” to Question 3, are you a health care worker?
5. If you answered “yes” to Question 4, are you cleared to work at your healthcare facility?

- iii. Prior to reopening, all Providers are encouraged to develop, post and implement written protocols consistent with this section and other applicable law, industry standards, and guidance. The plan should include policies regarding the following control measures: PPE utilization; on-location physical distancing; hygiene; sanitation; self-screening and symptom monitoring; incident reporting; and location disinfection procedures.
- iv. Handwashing stations and/or disinfectants must be available to personal service providers and customers/clients throughout the workplace and frequently replenished.
- v. No waiting areas are allowed.
- vi. No food or beverage service or consumption shall be allowed in the area where services are being provided.
- vii. Appointments required. Appointments made by remote means are required for all personal services. When making appointments, providers should advise customers/clients of any new requirements, which may include, but are not limited to:
 - 1) Customers/clients must self-screen for signs and symptoms of COVID-19 before arriving at the service provider location.
 - 2) Customers/clients should not plan on bringing other guests with them, unless they are bringing children younger than 16 for an appointment.
 - 3) Customers/clients should advise Providers via call, email or text that they have arrived at the location for the appointment, and are waiting for instructions to enter.

- 4) Customers/clients should put on a face covering prior to leaving the vehicle, and they should be prepared to wash their hands for at least 20 seconds or use sanitizer prior to starting their service.
 - 5) Payments for service should be through credit or debit cards or a touchless system to reduce the handling of cash.
 - viii. Generally, no walk-in appointments are allowed. Provider should post a notice on the front door or window regarding access to the facility. The notice should include the phone number that the guest should call to make an appointment. If service is available at the time, the walk-up guest will need to provide the Sign-in Data, answer questions regarding COVID-19 exposure and current health, and put on a face covering before entering the location.
 - ix. Providers are encouraged to follow additional best practices:
 - 1) Reducing the number of customers/clients serviced at one time. E.g., using only 50% of the available work stations.
 - 2) Operators must implement measures to ensure that participants and groups waiting to use a facility or an activity open under this section maintain physical distance of six (6) feet from one another at all times.
 - 3) Cashless and receiptless transactions.
 - 4) Customers/clients entering and exiting through different entries using one-way traffic, where possible.
 - 5) Reserved hours for operation limited to high-risk populations.
 - 6) A manager or shop owner should be on site during business hours at all times.
 - 7) Advising customers to limit the number of items they bring into the premises.
20. **Pet services.** Pet services operators must collect Sign-in Data.
21. **Business offices.** This section applies to business offices, whether for-profit, non-profit, regardless of the nature of the business or service, the function it performs, or its corporate or entity structure, that were not authorized under the Second Amended Stay at Home Order to utilize their offices. Business offices may reopen under the following requirements and conditions:
- a. The business shall ensure and promote compliance with applicable Social Distancing Requirements to the greatest extent reasonably possible, except that all persons shall comply with the face coverings requirements.
 - b. All occupied desks, cubicles and open workspaces, and furniture used for sitting or standing must be spaced at least six (6) feet apart to the extent reasonably practical and/or physical barriers should separate work spaces.

- c. The business shall ensure cleaning and disinfecting of its facility in compliance with CDC guidelines – <https://www.cdc.gov/coronavirus/2019-ncov/community/clean-disinfect/index.html>.
 - d. The business shall develop, post, and implement policies based on guidance from the CDC, Department of Labor, Occupational Safety and Health Administration (“OSHA”) and the Hawai‘i Department of Health (“HDOH”) to limit and mitigate the spread of COVID-19, including, but not limited to, the following:
 - i. Promoting healthy hygiene practices.
 - ii. Improving and intensifying cleaning and disinfection practices.
 - iii. Improving ventilation and circulation of outside air to the extent practicable.
 - iv. Monitoring for sickness.
 - v. Ensuring physical distancing at locations and times where employees, clients, or guests may congregate.
 - vi. Providing necessary personal protective equipment.
 - vii. Allowing for and encouraging employees to work remotely to the extent practicable.
 - viii. Providing employees at higher risk for severe illness from COVID-19 (based on CDC guidance) with special accommodations, at the employee’s request, to avoid contact with, and mitigate the risk of, the employee’s exposure to co-workers and others in connection with the business, to the maximum extent possible.
 - ix. Providing plans to return to work in phases to the extent practicable.
 - x. If someone at work tests positive for COVID-19 – <https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>.
22. **Movie theaters.** Movie theaters are limited to no more than fifty percent (50%) of the maximum occupant load of the facility and of each room in the facility and groups must be separated by six (6) feet or more; if food and drinks are served and/or allowed, COVID-19 mitigation measures (consistent with applicable sections of the Restaurant section of this Order) must be implemented; and every person in the theater must wear a face covering at all times consistent with Order 5, except when actively eating or drinking in designated areas (e.g., a patron’s assigned seat).
23. **Group physical activity classes.** Commercial outdoor group physical activity classes are limited to ten (10) persons or less including any instructor. Each person must wear a face covering during the class, unless the person is more than six (6) feet away from any other person. Commercial indoor group physical activity classes are limited to ten (10) persons or less including any instructor. Each person must wear a face covering during the class and maintain at least six (6) feet of physical distance from the others at all times.
24. **Gym and fitness facility operations and activities.** Commercial gyms and fitness facilities (“Fitness Facilities”) may conduct fitness operations and activities exclusively outdoors provided each client wears a face covering, unless the client is more than six (6)

feet away from any other person. Commercial fitness operations and activities may also conduct fitness operations and activities indoors under the following conditions:

a. Specific Requirements. Fitness Facility operators must:

- i. Not conduct or allow group classes of more than ten (10) persons to be performed within the Fitness Facility.
- ii. Limit occupancy to no more than fifty percent (50%) of the maximum occupant load of the Fitness Facility and of any rooms or areas within the facility with a maximum occupant load. Pools may be open.
- iii. Ensure that occupants maintain a minimum of six (6) feet of physical distance between each other at all times. If equipment cannot be arranged to facilitate six (6) feet of physical distancing, it must be blocked from being used.
- iv. If no maximum occupant load exists for a certain area, operators must limit occupancy to ensure occupants are able to maintain six (6) feet of physical distance between each other at all times.
- v. Limit locker room access and the number of persons who use amenities of the facilities (e.g., sauna, etc.) at any one time to ensure physical distancing of six (6) feet can be maintained.
- vi. Keep childcare areas and self-service food and drink stations closed.
- vii. Keep water fountains closed, except for those designed to refill water bottles in a contact-free manner.
- viii. Limit training for close contact activities (wrestling, mixed martial arts, etc.) to skill-building drills and conditioning in which physical distancing of six (6) feet or more between individuals may be maintained.
- ix. Post signs to encourage physical distancing and disinfecting throughout the facility.
- x. Position staff to monitor physical distancing and disinfecting requirements.
- xi. Provide handwashing stations or hand sanitizer (at least 60% alcohol content) throughout the facility for use by employees/clients/guest.
- xii. Ensure Social Distancing Requirements are adhered to at all times to the degree applicable and to the extent reasonably practicable, except that all persons shall comply with the Non-Medical Grade Face Coverings requirements set forth in Order 5 of this Order.
- xiii. Any occupied desks, cubicles and open workspaces, and furniture used for sitting or standing must be spaced at least six (6) feet apart.
- xiv. Ensure frequent cleaning and disinfecting of equipment, restrooms, locker rooms, and other high touch/high usage areas of the facility in accordance with CDC guidelines.
- xv. The business shall develop, post, and implement policies based on guidance from the CDC, Department of Labor, OSHA, and the DOH to limit and mitigate the spread of COVID-19.

b. Encouraged Practices. Fitness Facility operators should:

- i. Consider appointment-based usage of the Fitness Facility to limit the number of persons in the facility.
 - ii. Consider utilizing touchless forms of client/guest check-in.
 - iii. Consider offering virtual fitness classes whenever possible, especially for higher risk populations.
 - iv. Strongly encourage clients/guests to bring their own filled water bottles with them to the facility.
- 25. **Helicopter tours.** Helicopter tour operators must comply with conditions on page 1 of Exhibit A which apply to all Designated Businesses and Operations.
- 26. **Arcades.** Arcade operators must limit occupancy of arcade/game area(s) to no more than fifty percent (50%) of the maximum capacity. Arcade operators must also implement measures to ensure sanitation of games between each person's use and that hand sanitizer is available throughout the facility. Face coverings are required at all times within the arcade/game area(s). Arcades with: retail areas must comply with retail and service businesses requirements; restaurants / cafes / concession stands must comply with restaurant requirements; and office spaces must comply with business office requirements. Such areas must be distinct from the arcade/game area(s), and operators must regulate each area's respective capacity limits, or limit occupancy throughout the facility to the most restrictive occupancy limit imposed for any of the areas within the facility.
- 27. **Legal short-term rentals.** This section applies to lodgings, other than hotels or motels allowed to operate as Essential Businesses under the Order, that provide guest accommodations for less than thirty (30) days within the City and are legally authorized under Chapter 21 of the Revised Ordinances of Honolulu (collectively "**Legal STRs**"). Legal STRs may operate under the following conditions:
 - a. Specific Requirements. Legal STR operators shall:
 - i. First register the following information and acknowledgment with the City's Department of Planning and Permitting:
 - 1) Tax Map Key Number for the property;
 - 2) Legal name and contact information (current address and phone number) of the registered owner of the property;
 - 3) Legal name and contact information (current address and phone number) of the authorized local manager of the property, *if* such manager exists. The listing of such manager is required if the registered owner of the property resides outside of the City; and
 - 4) An acknowledgement that the operator and the manager (if one exists) is obligated and will comply with the requirements of this Order (as amended, supplemented, and/or extended), including but not limited to the requirement to gather and maintain all adult

guests' contact information (as set forth below) for contact tracing purposes.

The above registration and acknowledgment requirements shall be completed and filed online prior to offering a Legal STR for rent. Filing may be completed online at: <https://web1.hnl.info/strcompliance/>.

- ii. Gather and maintain all adult guests' contact information (including name, phone number, and address of permanent residence) and assist local public health contact tracing efforts, if exposures occur. The guests' contact information shall be retained for at least 28 days, and shall be shared with the State's Department of Health, or its designee, upon request.
 - iii. Ensure at least six (6) feet of physical distance is maintained and face coverings are worn during any interactions with guests, staff, local community (e.g., check in/out).
 - iv. Minimize interactions with guests, staff, and local community by implementing no-contact procedures (e.g., check-in procedures).
 - v. Avoid scheduling back-to-back stays to ensure time for proper cleaning and disinfecting (scheduling at least 24 hours between guests is recommended).
 - vi. Provide generous and flexible cancellation policies so that if guests start experiencing symptoms, they can cancel.
 - vii. Ensure guests are not present at the time of any maintenance or cleaning.
 - viii. Routinely check City, State, and CDC data and guidance concerning the COVID-19 pandemic.
 - ix. Clearly communicate with guests regarding cleaning and disinfecting steps.
 - x. Notify guests that City law generally requires face coverings to be worn when in public and indoors, and also required outdoors when physical distancing of at least six (6) feet from others is not practicable.
- b. Specific Prohibitions. Legal STR operators shall not:
- i. Provide accommodations to anyone who is subject to quarantine related to the COVID-19 pandemic, including quarantine imposed by the State's COVID-19 related proclamations, as may be amended, supplemented, and/or extended. Operators are responsible for determining whether a prospective guest is subject to such quarantine.
- c. Staffing.
- i. No STR operator or STR employee displaying symptoms of COVID-19 should provide direct in-person services to guest.
 - ii. No STR operator or STR employee should work within 72 hours of exhibiting a fever or other COVID-19 symptoms and follow appropriate State DOH and CDC guidance.
- d. Cleaning and Disinfecting.

- i. Cleaning and disinfecting must be conducted in compliance with CDC guidance.
 - ii. When an employee or guest is identified as being COVID-19 positive by testing, cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical consistent with State DOH and CDC guidance.
- 28. **Drive-in services.** Drive-in services (e.g., drive-in movies, holiday-related drive-in/drive-thru events, spiritual/religious services, etc.) may be conducted provided all of the following:
 - a. All persons attending the service must drive up in an enclosed vehicle. Attendees of the service must remain in their vehicles at all times, except to use the restroom while complying with Social Distancing Requirements (including wearing a face covering and maintaining six (6) feet of physical distance between others). Where restroom facilities are provided, the organizers must ensure the availability of handwashing stations or sanitizer, and the routine maintenance and cleaning of the facilities consistent with CDC guidance.
 - b. Vehicle windows, sunroofs and convertible tops must remain closed during the entire service, unless the vehicle is parked more than six (6) feet away from any other vehicle.
 - c. Each vehicle may only be occupied by either (i) members of the same household or living unit; or (ii) limited to five (5) individuals for mixed household/living unit attendees.
 - d. All City, state, and federal laws related to vehicle operation must be followed.
 - e. Organizers and employees of the services must follow current City, State, and CDC guidelines.
 - f. Generally, no food, beverages, equipment, or materials of any kind may be distributed or collected during the service. However, organizers may use unattended drop-boxes, or distribute individually packaged (or pre-ordered) food, beverages, equipment, or materials consistent with CDC guidelines and the Order.
